This is not an exhaustive list of ideas and places, but it should help you get started discovering your new city. We do not have any specific interest including financial in any of those places, and they are not listed in any particular order. Try them at your own risk.

Do not forget that we are here to help you succeed, thus feel free to reach out to your colleagues.

If you think that something is missing from the list (or not up-to-date), please send a message to [era@izard.org](mailto:era@izard.org) with the subject "Oh My!", and tell us in short sentences what to add (or remove). Thank you in advance for your contribution!

---

### **Emergency number in US is 911**

It is for medical emergencies, fire and the police in case of emergency.

### **UNL Arrival Guide**

Scroll to the bottom of <https://nse.unl.edu/international/arrival-orientation/>

### **Idioms**

Sometime a colleague will tell you a sentence that does not make an *ounce of sense*, which might be an idiomatic expression. You'll find some help online for some (<http://www.smart-words.org/quotes-sayings/idioms-meaning.html>), but the best remedy is to tell the person: "*It beats me! I can't make a head or tail of what you said*". You got it. Just ask what the person meant. Do not wait.

### **Communication**

#### Mobile or Cell Phone

---

You'll learn quickly that a smart phone (cell phone) is becoming a necessity. It is to the point that you may only use your cell phone and can save by not having a land line for the phone. UNL has some contracts that might be advantageous (<http://sales.unl.edu/verizon-0>; UNL computer and phone shop on city campus) that might be advantageous. Be aware of your particular situation (international call direct or via calling card being one example). Shop around!

The carriers are Verizon, AT&T, Alltel, US Cellular, T-Mobile, Sprint (not too great of a network) and others that are non-contract carriers such as H2O wireless and PagePlus [small companies but good, we have been told]. You can also get the sim cards from places like Best Buy or Walmart.

## Internet and WiFi

---

### *Free WiFi*

Synonym with coffee shop such as The Mills, The Bay, Scooter, Nu Vibe, and Starbucks. Other option includes Le Quartier (if you prefer your WiFi with a side of fresh bread and European pastries).

### *University WiFi*

Connect to UNL-Wireless-Registration and open the browser. It will take you to the registration page where you can register your device. After this, connect to Eduroam. (<https://its.unl.edu/services/wi-fi/>)

### *Internet at home*

You can find a list of internet providers at <http://broadbandnow.com/Nebraska/Lincoln>, and Allo.

## **Lodging**

Be aware of the distances. You will need a car, bike or bus pass very quickly depending where you live.

## Rental Properties

---

Most searches for rental properties are made via the Internet. Do not make any payments before you check the credibility of your place and the property owner.

- <https://www.zillow.com/>
- <https://www.trulia.com/>
- [http://www.realtor.com/apartments/Lincoln\\_NE](http://www.realtor.com/apartments/Lincoln_NE)
- <https://www.apartments.com>
- <http://postdoc.unl.edu/housing/>

Be aware that there is a lot of false advertisements for rentals on this site: <https://lincoln.craigslist.org/search/apa> [it is a very good site to find things to put in your place, but not for rentals]

## University Housing for Students

---

- Single student: University housing 530 N 17<sup>th</sup> Street; [housing@unl.edu](mailto:housing@unl.edu) access through MyRed
- Married students or students with children housing via UNL (<http://housing.unl.edu/residence-halls>)

## While you are searching for a more permanent accommodation

---

Be aware that the cost of temporary housing can accumulate pretty fast. You can get a room in a hotel or motel per night or per week. If you cannot be in a room with the smell of cold cigarette, be sure to request a non-smoking room.

You can find the room via internet via web sites such as Kayak.com, Expedia.com, CheapOair.com, Travelocity.com, Hotels.com, and Trivago.com.

## **Shopping**

### Food

---

The prices range very widely from one store to the other and within a store (from cheap to abusive pricing). Be informed, be aware ☺. Some of them are open 24h a day (yes, your 2 am ice cream craving can be satisfied all

year long). If you eat out of a can, with a plate, organic, gluten free, pescatarian, vegetarian, vegan or with any other dietary restrictions, you'll find what you need in many parts of the city.

### *Tipping at Restaurants*

---

The tips are not included in your bill (except very rare occasions mentioned on your bill). The most common recommendations are:

- 15% to 20% tip for sit-down restaurant service
- 10% for servers at buffets (for help with drink orders and plate removal)
- \$1 to \$2 per drink for bartenders, or 15% to 20% of the bar tab
- As for cash-register coin jars, there's no obligation to add money to them, although it might be worth it if you receive super service or you're a regular customer

All the tips are calculated on the pre-tax amount. Do not worry, there is an app to calculate tips, split bills etc. No top of the head calculation needed ☺.

### *Dietary Restrictions*

---

There is an App for that! Some of them allows you to know based on the bar code of the product if it is compatible with you needs. Others will tell you if a restaurant has meals that fit your needs.

For gluten free diet there are multiple apps, "Find Me GF" is one of them.

### *Furniture*

---

You can find new furniture at furniture stores around town or in large department stores like Walmart. IKEA now can ship part of the catalog.

A popular store in eastern Nebraska is Nebraska Furniture Mart and its discount store, Ms. B Clearance, in Omaha NE.

### *Clothing and Home Items*

---

- Kohl's
- JC Penney
- TJ Maxx
- Marshalls
- Home Goods
- DSW (shoes)

*Shopping Malls*

Lincoln has two malls where your shopping needs may be fulfilled:

- Gateway Mall
- SouthPointe Pavilions

Nebraska Crossing Outlets is a place with multiple factory outlets of a large number of brands. However, it is in Gretna, about a half-hour drive east from Lincoln. It is a good deal if you want to shop a lot and save money.

## Used Items

---

Sometimes you do not want to buy all new and it is fine. To save money, you can buy used furniture, clothing and home items at thrift shops, consignment shops, and garage sales.

Stores:

- Goodwill
- Salvation Army
- Play it Again Sports (sport related items)
- consignment and thrift stores

Garage sales:

For individuals from abroad not familiar with the terms, a "garage sale," "rummage sale," "yard sale," or "estate sale" is a sale held for a day or two by people selling their stuff out of their garage, yard, or home at whatever price they choose to set. You can find excellent items at a nice price (sometimes not even believable as it is so cheap) or expensive garbage. There are some sale advertisements on Craig's List as well as in the local newspaper, *The Lincoln Journal Star* (the ads are published during the week and online), and some dedicated websites such as <https://garagesalefinder.com/>.

App and web-based sales of items by individuals in the area (any item):

- Facebook Market
- letgo.com
- Craigslist

## Pharmacy

---

You'll rarely see a "Pharmacy" sign. Some of them are open 24 hours a day. Here are some of those businesses incorporating a pharmacy (for those medications that need prescription from your doctor or not):

- CVS
- Walgreen
- Target
- Walmart
- Hy-Vee

## Books

---

### *For your courses*

They also do a price match for the books (if you find the same book at some other place or website for a lesser price). You can also buy or rent books from Amazon or eBay online.

Do not forget that there is the UNL library with paper and digital options.

### *For your leisure*

Physical bookstores (bookshop) are becoming rare. is of them. Google “bookstore” to find the smaller ones. Two examples:

- Barnes and Noble on O street
- A Novel Idea (<http://anovelaideabookstore.com/>) used bookstore in downtown Lincoln

Large online bookstores include Amazon.com, barnesandnoble.com and ebay.com.
